HARMONY MOZE.
Characteristic Two Step March.

By KERRY MILLS.

Intimate friends of MOZE say they have yet to find him not singing. His melodies have a fascinating sort of jingle about them—decidedly unlike what one usually hears from the average darkey. Aside from this, he is always well up in the popular songs of the day, and the one of which he seems especially fond at present, is "Fare Thee Well, Molly Darling." This accounts for its appearance in the composition.
