moon-light and the laugh-ter And the
let me see the love-light Shine once

songs I used to know:
more in your sweet face;

won-der why the birds don't sing as
days are cold and drear-y, and there's

off to the sky they fly; And the
dark-ness ev-ry-where. And the

sun-shine too, is hid-den In the
nights are long and wea-ry, Filled with

clouds I won-der why:
sad-ness and dis-pair
